

# MAIN STREET WINE BARREL BEAUTIFICATION PROJECT

This project was made possible with very generous donations! Wine barrels from Terra d'Oro Winery, dirt and rock donated by Campbell Construction and plants and flowers discounted from Ace Hardware. We sincerely thank them for their generosity! The project was led by Council Member Klinefelter with help from citizen volunteers and City staff. This is the first step to beautifying Main Street. There is more to do and we would love you to be part of it. Become a Plymouth Ambassador to get involved in future projects!

## **BE PREPARED IN CASE OF A WILDLAND FIRE IN OUR AREA.**

With all of the fires that are happening in California and the surrounding states it is good to have a plan in case you need to evacuate.

**REMBER THE SIX "P'S" in case immediate evacuation is required:**

- People and pets
  - Phone, phone charger and important documents
  - Prescriptions, vitamins, and eyeglasses
  - Pictures and irreplaceable memorabilia
  - Personal computer hard drive and laptops
  - "Plastic" (credit cards, ATM cards) and cash
- .....

**Please check the area surrounding your Water Meter box. The Water Meter box should be clear of all foliage and debris to ensure that City Staff will be able to access it easily to read your meter. In the event that the Water Meter box is not easily accessible, City staff will clear the area as needed. If a car is blocking the box then we will use your last months meter read. Thank you**
