

REQUEST FOR PROPOSALS

Request for proposals for Design Engineering Services for repair of the February 2017 Storm Damage to the Arroyo Ditch in Plymouth, California – FEMA-4308-DR-CA will be received by the **CITY OF PLYMOUTH, City Hall, 9426 Main Street, Plymouth, California, 95669**, until **Thursday, January 12, 2023, at 3:00 p.m.**

The work is generally described as follows:

The Arroyo Ditch was damaged during a February 2017 storm event. The City of Plymouth is soliciting professional engineering services to design repairs of the ditch, and ultimately, provide engineering assistance throughout construction of the proposed improvements.

Consultants can download the full Request for Proposals from the City's website at www.cityofplymouth.org

Please submit four (4) hard copies and one (1) PDF (on thumb drive and word searchable) version of the proposal no later than 3:00 p.m., Thursday, January 12, 2023. Proposals received after this date and time will be considered non-responsive. Proposals should be addressed to:

Cathleen Johnson, Public Works Director
City of Plymouth
P.O. Box 429
Plymouth, CA 95669

All questions related to this RFP shall be directed, **via email**, to:

Cathleen Johnson, Public Works Director at cjohnson@cityofplymouth.org

The City reserves the right to reject any or all proposals, and further reserves the right to waive any irregularities in the bids.
