(Open Until Filled)

The City of Plymouth is seeking a part time **Maintenance Worker I or Maintenance Worker II**, who under general supervision from the Public Works Director, performs a variety of skilled, semi-skilled, and unskilled activities. We have one full-time and one part-time position available.

The Position

The **Maintenance Worker I** class is a journey level in the City maintenance services. Duties and responsibilities range from performing ditch maintenance; carpentry tasks, constructing, repairing, installing, maintaining City parks, buildings, streets, sidewalks, fences to cleaning City public facilities, and performs other duties as required.

The **Maintenance Worker II** class is the advanced journey level in the City maintenance and operational services. The class is distinguished from the Maintenance Worker I by requiring greater initiative, judgment, responsibility, autonomy and discretion in planning and completing a wide variety of maintenance and operational activities. The incumbent in this position has day-to-day responsibility for assigned projects and operations.

Qualifications

Experience and education to successfully perform the duties of a Maintenance Worker I or Maintenance Worker II. A typical way of obtaining the required qualifications is to possess the equivalent of a High School diploma and four years of related maintenance experience from a public agency.
