

# PLYMOUTH COLONY MONTHLY

## Message from the Interim City Manager

It is an absolute honor to accept the appointment as Interim City Manager for the City of Plymouth. My commitment to our community—no matter how long I serve—will remain steadfast, forward-thinking, solution-oriented, collaborative, and grounded in integrity.

We are fortunate to have an amazing staff dedicated to addressing the challenges before us, but the future of Plymouth cannot be shaped by staff alone—it requires all of us working together as a community.

Plymouth has a proud history, and together we will build upon that foundation to create even greater opportunities for the future. I invite each of you to join me in this effort, share your ideas, and stay engaged. With unity and dedication, there is no limit to what we can achieve.

With gratitude,  
Cameron Begbie

## THANK YOU LIFEGUARDS!

To the incredible Lifeguards that worked at the Plymouth Veterans Memorial Pool — thank you for your dedication, hard work, and care all season long. From all of the fun swimming lessons through the long, hot afternoons, you kept watch, kept us safe, and made the pool a fun place for everyone. Your friendly smiles, patience, and commitment meant so much to our community.

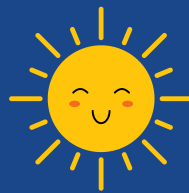

**We are truly grateful for all you did!  
See you next summer!**

## September FUN Facts

**The September Birth flowers and birthstone** are Aster, Morning glory and Sapphire. The Aster is a small, colorful flower similar to the daisy in appearance, while the morning glory is a tall, climbing plant with vibrant tunnel shaped flowers that bloom in the morning and close in the afternoon, usually only lasting the day. The flowers symbolize love, affection, wisdom, and valor. The Sapphire is typically a blue gem, but they come in a full rainbow of colors except for red. They are considered protective, and blue sapphires are typically worn by priests. Sapphires are one of the few gems that can exhibit a naturally 6-rayed star shaped asterism.

**It's the best time to plant garlic!** Planting garlic in September gives the plant time to establish strong roots before the winter freezes over.

**The September Equinox** usually occurs around the 22nd or 23rd of the month, and marks the start of Autumn in the Northern Hemisphere, and Spring in the Southern Hemisphere.

**The word "September" comes** from the Latin word, "septem" meaning seven. September was originally the 7th month on the Roman calendar!

**Hispanic Heritage Month starts September 15th** and goes until October 15th. The U.S's observance of this month began as a week-long celebration in 1965 but was later expanded into a month-long celebration under the administration of former U.S President Ronald Reagan in 1988. The dates were chosen to coincide with the independence days of several Latin Countries!

**On September 12th, 1962 President John F.**

**Kennedy made a speech** at Rice University regarding the nation's space effort and his plan to land a man on the moon before 1970. The speech was titled "We Choose to go to The Moon", after this excerpt: "But why, some say, the Moon? (...) We choose to go to the Moon in this decade and do other things, not because they are easy, but because they are hard...". Neil Armstrong then became the first man to land on the moon in his famous 1969 Moon Walk.

## 2025 Purple Heart Ceremony

Thank you to all of the Purple Heart recipients and family members of a Purple Heart recipient and all of the veterans that attended. We also want to thank the VFW Post 8254, the American Legion Post 108, the Disabled American Veterans, the Military Order of the Purple Heart, the Vet Center, District Representative Valerie Spake with Senator Alvarado Gill's office, Senior District Director Dana Jorgensen with Assembly Member Heather Hadwick's office, Cameron Begbie for being our speaker, and Juliet Kennedy, former VFW National Auxiliary Soloist for their contribution to today's ceremony. We appreciate all that you did to make this a heartfelt and special ceremony.
