

# PLYMOUTH COLONY MONTHLY

Plymouth ~ The Gateway to the Shenandoah Valley

## A note from Cameron Begbie Interim Plymouth City Manager

Happy New Year, Plymouth! I hope 2026 is off to an amazing start for each of you. While many people take on personal resolutions at the beginning of the year, the City began our own resolution months ago as we focused on how we can better serve you. We continue to fine-tune that process every day. It has been an incredible experience being part of this team and witnessing their excitement for the opportunity to serve this community. The City is committed to tightening up business and moving Plymouth forward.

We are also preparing to launch Explore Plymouth on social media. This page will be dedicated to promoting businesses in the City and highlighting special events in and around Plymouth. We look forward to promoting your business or event as we work to make Plymouth the shining gem of the foothills.

A bit of housekeeping as we settle into the new year: many children received new bikes, motorized and electric bikes, and scooters over the holidays. While their enthusiasm is wonderful to see, please remind them to be cautious—drivers may not always be paying close attention, and we want everyone to stay safe while enjoying their new wheels.

Additionally, we have a City Council Special Meeting on 01/26/2026 at 12:15pm and 6:30 pm at City Hall. The agenda can be found on the City's Facebook page and website. We will also be hosting a Town Hall on 01/24/2026 from 10 AM–12 PM at City Hall to share and discuss information related to our neighbors, the Acorn Ridge Casino. This will be an opportunity to respectfully discuss both support and concerns. We understand that opinions vary on this topic, but we want to hear from you. I would like to express my gratitude to Sheriff Redman for offering to moderate the conversation.

**We wish you your best year yet in 2026.**
