

CITY OF PLYMOUTH NOTICE OF PUBLIC REVIEW PERIOD HOUSING ELEMENT UPDATE

The City of Plymouth City Council adopted the City's 6th Cycle Housing Element on January 9, 2025 (City Council Resolution No. 2025-3). Following adoption of the Housing Element, the City transmitted the Element to the California Department of Housing and Community Development (HCD). HCD has sent written comments on the second submittal of the Housing Element to the City of Plymouth requesting modifications to the Housing Element. Minor modifications to address the comments have been made to the Housing Element. State Law requires revisions to adopted Housing Elements to be posted and available for review for seven (7) days prior to submitting to HCD.

The City of Plymouth invites the public to participate in a seven (7) day review period from Tuesday January 27, 2026 through 5:00 pm on Monday February 2, 2026 to review the proposed revisions to the Housing Element in response to the written comments from HCD. At the close of the comment period the revised Housing Element will be submitted to HCD for review and certification.

The revised Housing Element may be viewed on the City's webpage at:

<https://cityofplymouth.org/6th-cycle-housing-element/>

Please submit your comments by 5:00 pm on Monday February 2, 2026.

Comments can be emailed to:

efraser@4leafinc.com or jsmith@cityofplymouth.org

Or you may drop off written comments to City Hall during normal business hours.

For questions please contact the Planning Department at (209) 245-6941.
